Hotel – The Holiday Inn Patriot offers very nice and comfortable accommodations, and has worked with the convention to offer a great price of \$68

Games – Just like our winter convention, with dozens and dozens of games offered, from Ancients to Ultra Moderns and everything in between, in all scales

Tournaments – While not primarily a tournaments convention, the Muster supports Flames of War, Warhammer Ancients, WH40K, Warhammer Fantasy, DBA and Warrior

Raffle – Saturday evening will feature a Raffle with all sorts of merchandise, from board games to rules, miniatures, and painted units. Tickets available throughout.

Food – Williamsburg has a great offering of eateries and restaurants. The convention will also have a Hospitality Suite with free drinks and snacks, open Friday, Saturday, and Sunday

Wee Free Box – Bring and donate some of your no-longer-needed wargaming materials, and feel free to fish around in the box to take home some of the treasures left by others

Club Support – We want to support Wargaming Clubs! If your club is interested in running a number of games, let us know (website has contact info) and we can arrange a table to be yours for the weekend.

Vendors – We have arranged with 19 excellent Wargaming and Hobby vendors to be available to provide all sorts of merchandise for sale. See our website for a list, with links to information.
